# EXPERIENCE

*We know kids. We understand families.*

The Behavioral Psychology Department at the Kennedy Krieger Institute is one of the nation's leading programs. For over 40 years, we have helped kids with issues small to large. We give children, adolescents and their families the skills to overcome challenges, build resilience, and achieve success. In fact, children's behavior is our specialty. We understand why kids behave the way they do. Our licensed psychologists use the latest research and best clinical practices to unlock potential.
